

# 24h Sculpt Set

Your body works in cycles. Your sculpting should too.

Most routines focus on one step, but real results come from consistency and combination.

- 🔥 Activate circulation by day
- 💧 Detox and drain at night

The LipoSculpt Day & Night System helps you:

- ✓ Reduce the appearance of cellulite
- ✓ Support lymphatic drainage
- ✓ Improve skin texture + smoothness

🌟 A simple daily ritual. Visible results.

## LipoSculpt **Detox Balance** Proven by experience

“This product really works well for centimetre loss, nourish your skin & is a great massage oil for tired legs”  
Corlette

“An absolute favourite product with the perfect blend of detoxifying and muscle-stimulating oils.”  
Mpho

“Lovely product for cellulite, I can see the visible results, looks smooth and toned.”  
Nicci

“Detox Balance Oil significantly reduces visual water on the lower body, especially legs and feet”  
Robyn

## Struggling with stubborn areas, bloating or cellulite that just won't budge?

You're not alone, and it's not just about fat. It's also:

- 👉 Circulation
- 👉 Fluid retention
- 👉 Lymphatic build-up

That's why LipoSculpt works differently.

- 🔥 Thermo activation by day
- 💧 Detox + drainage by night

A targeted system designed to:

- ✅ Smooth the look of cellulite
- ✅ Reduce water retention
- ✅ Support a more sculpted appearance

❤️ Real routine. Real results.
